

UWS L-BOXX MEASURING CASE PREMIUM

Measuring case in a handy L-BOXX-system for safe storage of measuring instruments and measuring implements/utensils

UWS L-BOXX Measuring case Premium

Content

- ✓ L-BOXX drawer compartment and document pocket included
- ✓ 1x dual measuring instrument
- ✓ 1m cable
- ✓ 2x replacement battery
- ✓ 1x colorimetric test instrument for chloride
- ✓ 1x colorimetric test instrument for iron
- ✓ Hardness measuring instrument
- ✓ Adey test stick
- ✓ 1x measuring jug 50 ml and 1x measuring jug 250 ml
- ✓ 1x 230ml calibration solution pH
- ✓ 25 sachets à 20 ml calibration solution conductivity
- ✓ 25 sachets à 20 ml cleaning solution for electrodes
- ✓ 25 sachets à 20 ml storage solution electrodes

Dimensions L-BOXX

Measuring case	350 * 440 * 240 mm
Total weight	8 kg

Technical data Dual-measuring instrument

Measuring range pH	0.0 up to 14.0 pH
Measuring range EC	0 up to 6000 µS/cm
Measuring range TDS	0 up to 3000 mg/l (ppm)
Measuring range Temperature	0.0 up to 70.0°C
Resolution pH	0.1 pH
Resolution EC	10 µS/cm
Resolution TDS	10 mg/l (ppm)
Resolution temperature	0.1°C
Accuracy pH	±0.1 pH
Accuracy EC	±2% of the measuring range
Accuracy TDS	±2% of the measuring range
Accuracy temperature	±0.5°C
Calibration (pH/EC/TDS)	Manual, 1-point, via rotary knob
Temperature compensation	Automatic with $\alpha=2\%/^{\circ}\text{C}$ (EC/TDS)
Probe	HI 1285-5, Multiparameter probe, DIN, 1 m cable (incl.)
Electricity supply	1 x 9 V / approx. 150 operating hours
Dimensions	145 x 80 x 36 mm
Weight	230 g
Order-No.	200010-1
